

HALIBURTON COUNTY ECHO

— HALIBURTON COUNTY'S OWN AND ONLY NEWSPAPER —

VOL. LX. No. 13.

HALIBURTON, ONTARIO Thursday, March 26, 1953 5c PER COPY \$2.00 PER YEAR

A GREAT QUEEN PASSES AWAY

THE WEEKLY ROUNDUP

A new fence is being erected around the Haliburton Post Office. The reason for the erection of said fence is to prevent people from trampling over the lawns at the Post Office, but as no barrier whatever is planned for the protection of the front lawn where most of the trampling occurs, this would appear to be just another means of wasting the taxpayer's money.

We regret to report the sudden death of Mrs. Daisy Walling, beloved wife of Mr. Oscar Walling, a former resident of this town, who for a number of years now has been employed by Fee Motors.

The sympathy of friends goes out to Mr. Walling and family in their hour of bereavement.

The first Immunization Clinic held in Haliburton on Saturday morning last was a decided success, some 150 children receiving treatment.

Card Party at St. Paul's

The Girls' Guild of St. Paul's Church held a successful card party on Thursday. There were thirteen tables of players. Prize winners were: Bridge, Mr. Harry Cowan and Mrs. H. Easton. Canasta, Mr. Garry Vasey and Mrs. D. Edwards. Euchre, Mr. Ed Wright and Mr. J. M. Irwin. Cribbage, Mrs. A. Duncan and Mr. Gerry Gartland.

The supper table was attractively decorated with daffodils, and green cutouts of harps, shamrocks, etc., associated with the celebration of St. Patrick's Day.

Lester Walling New Rotary President

Last Thursday evening the Haliburton Rotary Club held their election of officers for the ensuing year commencing on July 1st. Officers chosen were for President, Lester Walling, for Directors, Carl V. Hussey, Glenn Austin, Wilfred Holland, Harold Proctor, Hugh Burke, James Cooper. The elections were held earlier than usual so that the new President elect and his directors could attend the annual spring conference in April in their official capacity.

Mr. Gordon Aiken of Gravenhurst was the guest speaker. Mr. Aiken, Q.C., is Judge of the Gravenhurst area Juvenile Court and also President of the Gravenhurst Rotary Club. He gave a very informative address on the workings and uses of the juvenile courts in Ontario. His address was very timely as a juvenile court is soon to be established for the Counties of Victoria and Haliburton. Mr. Ivan R. Moore, Q.C., of Lindsay, has been appointed to be the Judge for this court when it is established.

HALIBURTON

Mr. and Mrs. Russell Johnston spent the week-end in Bracebridge and took in the hockey game between Sundridge and Bracebridge.

Mrs. Keith Brannigan is at present a patient in Wellesley Hospital, Toronto. We trust that she will soon be restored to a full measure of health.

A most successful St. Patrick's Day supper was held in the Haliburton United Church on Tuesday evening, March 17th, under the auspices of the Women's Association.

The ladies wish to express their thanks to the Quaker Oats Co. of Peterborough who so kindly supplied the Aunt Jemima Silver Cake Mix for the shortcake, also the Maple Leaf Milling Co. for supplying the Tea Bisk for the topping of the meat pies.

We are informed that the Red Cross drive is meeting with much more success than a year ago. If you have not contributed already do so at once and help keep up this great work.

Small Fire in Minden

The town fire department had a practice on Wednesday afternoon. On Saturday afternoon they were called to the home of Mr. John Rockery, where a chimney had ignited. In a very short time the brigade and engine were on duty, the pump and hose under way, and the danger of a serious fire was over. There was some smoke damage.

It is a comfortable feeling to know that the village is under such capable protection, under the captaincy of Ern. Hewitt.

Parents Day in Minden School

The first week in March has been named National Education Week throughout Canada, and an invitation to all parents of Minden school students was issued to attend Open House at the regular date of the Home and School meeting. Open House is designed chiefly to acquaint the parents with the school curriculum, the members of the faculty, and to give them an opportunity to discuss any problems with the teaching staff. The visitors were also invited to inspect the work books, and other interesting work and projects which were on display.

At 3.30 school was dismissed and the parents met in one of the new classrooms for the Home and School meeting, which opened in regular form, with the president, Mrs. O. Struthers, presiding.

A debate was held. Resolved—That life in the temperate climate is more enjoyable than life in the tropical climate. The affirmative was taken by Eleanor Hewitt and Corinne McCarey, and the negative by Virginia Lee and Maxine Swan. The negative side was declared the winner.

A count of parents was taken and Mr. Morgan's room won the banner and the accompanying \$2.

Miss J. Minott, the district school nurse, was at the

On Tuesday last, the grand old lady of Marlborough House, London, the Dowager Queen Mary passed peacefully away in her 86th year.

Large Meeting

Held at LOL

No. 975

A very enjoyable meeting was held on Wednesday evening, March 18th, in the Orange Hall, when our Local L.O.L. 975 was honored by a visit from the County Masters of Haliburton and Victoria Counties. There were also present, representatives from Cameron, Cambray, Cobokok, Fenelon Falls, Hartley, Kinmount, Norland and Oakwood Lodges, with a large number by bus and cars from Fenelon Falls. The visiting Degree Team, in a very solemn manner, conferred the Blue Degree upon four candidates. The District Lodges of Fenelon Falls on this occasion presented a pair of gavels to the W.M. and Dep. M. of Haliburton. At the close of the meeting, the ladies served a sumptuous lunch which was enjoyed by all. Wm. Ward, W.M., then spoke a few words of welcome to the visiting lodges.

Several brothers very graciously responded with expressions of praise for our fine new building, of which we believe our community may be justly proud. In remarks by Mr. Brokenshire, W.M., of Fenelon Falls, he reminded his listeners that on the opening of the new Salvation Army Hall, he will be in attendance with his Band, and invited those present to join with the Army on that occasion if possible.

school during the afternoon and spoke briefly. She is very willing to be of any assistance, and she asked the parents to approach her on any problems they might have.

A short sing-song was led by Mrs. Hugh Nichol, accompanied by Mrs. Al Barron at the piano.

A pamphlet sent out by the Teachers' Federation at education is everyone's business. It is estimated that secondary school enrolment will rise from 300,000 in 1952 to 640,000 in 1964.

The time is extended to April 30th to collect "All Sweet Margarine" ends. Would you please save yours for the Minden Home and School Association.

The Home and School Convention is to be held at the Royal York Hotel, Toronto, on April 7th and 8th. It is hoped that several from here will attend the sessions.

Mrs. C. McInerney and Mrs. Vinton Loucks poured tea at a table gaily decorated with spring flowers, and the girls of Grade 10 served lunch, bringing to a close a very pleasant afternoon.

Rotary Club Prize Winners

Of interest to Minden residents is the record in public speaking made by Lewis Stevens, the 15-year-old son of Mr. and Mrs. O. Stevens.

Some little time ago Lewis made a wonderful showing in an oratorical contest sponsored by the Rotary Club for pupils in the district. The subject of his 5-minute address was "This Land of Ours" and he was declared the speaker of the evening.

As a result of this showing, Lewis has been invited to visit Ottawa on May 1st for four days, the guest with other district winners, of the Rotary Club. The fortunate young people will be shown Ottawa in all its interesting phases. They will be introduced to the Prime Minister and other celebrities, and in an impressive ceremony will be given their citizenship papers. On his return this trip will give Lewis a splendid opportunity to further his public speaking abilities, in relating his experiences and impressions of this educational and enjoyable journey.

This is not the first time Lewis has shone in public speaking. Two years ago he won the Rotary Club contest here, and was sent to Toronto to compete with other Ontario winners. In this he took fourth place and returned the proud prizewinner of a 12 volume set of "The Makers of Canada."

Lewis has time in addition to his school work to be an all-around boy. He is a member of the Minden Band, the Boy Scouts, and the choir of St. Paul's Church.

This is another instance of the impressive service work the Rotary Club quietly carries on. The far reaching effects of their efforts with young and old can never be known.

Industrial Art Teachers Hold Meeting

The Peterborough-Oshawa Group of Industrial Arts Teachers held the fourth meeting in Peterborough, Kenner High School, on Saturday. Industrial arts teachers were present from Newmarket, Peterborough, Pickering, Whitby, Norwood, Stouffville, Minden, Omamee, Blackstock, Oshawa, and Port Perry.

Meeting in the new Kenner High School at 9.30 a.m. the teachers inspected the new shop there following a business session. The group then toured the Peterborough Lumber Company's plant. This company is 113 years old, formerly operating in Haliburton and North Peterborough districts as the Dixon Lumber Co.

The teachers then travelled to Norwood for dinner and a tour of inspection to Norwood High School which was opened last September. They were especially pleased with the Norwood School shop which is probably the best equipped of the smaller smaller school shops in the province.

Haliburton Will Play Host to Hobby Train

The streets of Haliburton will be thronged with some 750 guests on April 10th when the village will play host to the members of the Model Train Hobby Club.

A special train comprised of nine passenger coaches, a baggage and two dining cars and hauled by two locomotives will bring the visitors to Haliburton.

We are informed that the train will leave Toronto at 9 a.m. and will arrive in Haliburton at 12.30 p.m. Every year the members of this club take a trip to some railroad terminal and this year Haliburton has been selected as the place to be visited.

Next week's County Echo will contain more details regarding this event.

Andrus Mill Ready To Start

Mr. Russ Andrus informs us that he is about to have his mill on Head Lake in the village of Haliburton in operation. Mr. Andrus went on to say that he has a lot of lumber to be cut and the mill has been repaired and ready to go. When the mill gets in full swing he hopes to have about eight to ten men employed in this industry. Every industry we get in the village makes it better for everyone.

New Salvation Army Hall at Haliburton Soon To Open

The opening of the new Salvation Army Hall will take place on the week-end of April 11 and 12. Major and Mrs. Moulton, Commanders of the Northern Ontario Division, will conduct all services. The Corps Officers and Band of Fenelon Falls have been invited to participate in the Saturday's opening events. Local officials and dignitaries will also be present.

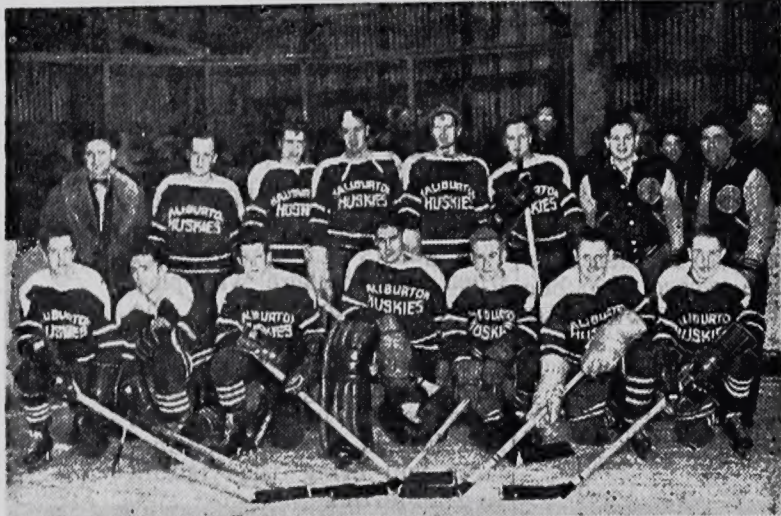

The opening ceremony will take place at 3.30 p.m. Saturday afternoon outside the hall following a brief march by the Fenelon Falls Band. The people in attendance will then be invited to inspect the hall. At 8 p.m. a combined musical program and dedication service will be held in the senior auditorium. Sunday's meetings and Sunday school will be at their usual times. Further details will be forthcoming.

Minden Home And School

As reported in the Minden Home and School Association meeting, those collecting "All Sweet Margarine" ends have been given extended time to April 30th. The Home and School Association will greatly appreciate the financial help if these ends are turned in to any member of their association.

The Minden Area Home and School Association meeting is held the third Wednesday of each month. Plan to attend.

TWO GREAT TEAMS BOW OUT - THE TORONTO MAPLE LEAFS AND THE HALIBURTON HUSKIES

So long. It's been good to know you.

The Haliburton Huskies made their last final stand in the O.R.H.A. playoffs at Newmarket last Thursday night. After sixty minutes of thrilling hockey the Huskies made their way back to their dressing room looking very gloomy and singing their swan song. For the locals it was the last game of the season as the Sutton Greenshirts had taken them into camp in three straight games.

Going into this contest the Huskies were down but not out and fought it hard all the way as far as hockey and fighting was concerned. The game was all tied up going into the final minute of play 4-4 and with that minute left Skip Taylor, the old Sutton reliable, made a rush the full length of the ice circled the net and laid a beautiful pass on the stick of Brett who fired it home and the Sutton fans nearly went wild. That rush was a costly one as far as our Huskies were concerned as it put them right out of the playoffs. Goal getters for the locals were Harry Brohm

with two, Herb Baker and Ken Carnochan with one goal apiece. The Sutton Greenshirts are now in a playoff series with the ever famous Markham Eagles.

The locals have returned home and have hung up their gear for another season. As far as a championship it's the same old story let's wait for another season. For the Haliburton Huskies it was one of the most successful seasons that we have ever had and the team came out very well financially. And in throwing out the orchids let's not forget that hard working manager and coach Jack Austin who is the back bone of hockey in the village. Jack at different times this season was criticized about the way he was operating the team. But if Joe Primeau, coach of the Leafs, was here he to would be up for criticism.

If Jack Austin ever pulled out of hockey in Haliburton we don't know what would happen. Many like to attend the games but who would put the time and effort into the team that has been put into it by Jack in the past.

Minden Rotary

Monday evening saw a good attendance at the Minden Rotary Club and in addition we had five members from the Haliburton Club, which club is in the throes of an attendance contest with the Huntsville Club.

The program of the evening took the form of the Township finals in the public school speaking contest. There were two contestants who were Glenda Medley representing the Carnarvon school who took as her subject "The Earthworm" and in which she pointed out the great usefulness of this ploughman of nature in keeping our soils fertile.

And Margaret Elstone representing the Minden school who used the topic "Let's have safer care" and in which she drew out attention to the fact that while the present day automobile has been decorated with chrome and beautiful appointments and comfortable seating for the occupants, yet according to our speaker lacks much in safety for those occupants and she suggests such things as higher seats for better view, headlights on the car top to shine down on the road, cushioned dash, etc., and safety belts.

The judges were Mr. A. Stouffer, Lorne Coburn and Harold Black who brought in a decision in favour of Margaret Elstone and at the same time complimenting Glenda Medley on her effort.

Margaret Elstone will appear in the county finals which will be held at the Haliburton club this Thursday evening.

Minden WMS

The March meeting of the W.M.S. of Minden United Church was held at the home of Mrs. M. Prentice. Hymns, prayers and readings of scripture were all related to the theme for the day, namely—"The Sacrament of the Lord's Supper." Mrs. Deacon and Mrs. Barry assisted Mrs. Brintnell in the worship service.

Our president continued her reading of the Study Book—"Along African Trails", telling us, this time of the African Church or what is known as "The Church of Christ in Angola" B which is a fellowship of Christians in various mission areas, under the auspices of several denominational missionary societies.

In spite of limited funds, the church has grown rapidly and the Africans have accepted more and more responsibility for the spreading of Christian truths.

One interesting part told of the ordination of a minister when not only the minister to be ordained, but his congregation and his wife were subjected to a searching enquiry into their spiritual health.

We remembered with a prayer of thanksgiving, our fellow Christians in Angola. Following the singing of hymn 568, Mrs. Brintnell welcomed the visitors.

An inspirational article entitled "Welcome Stranger" was read by Mrs. Barron, which reminded us all of our responsibility to make newcomers feel at home among us.

The meeting closed with

(Continued on page 8)

Letters to the Editor

We publish a letter which the Division of Fish and Wildlife, Department of Lands and Forests sent to Mr. R. C. Beam of Middletown, Ohio, U.S.A., and Mr. Beam's acknowledgement.

On the editorial page, we publish another on this important subject.

The Editor.

ONTARIO DEPARTMENT OF LANDS AND FORESTS

Toronto 2, February 23, 1953

Mr. Russell C. Beam,
108 Euclid Street,
Middletown, Ohio,
U.S.A.

Dear Mr. Beam: I wish to thank you for your interesting letter of February 11th and for the editorial from the Haliburton County Echo which you have attached.

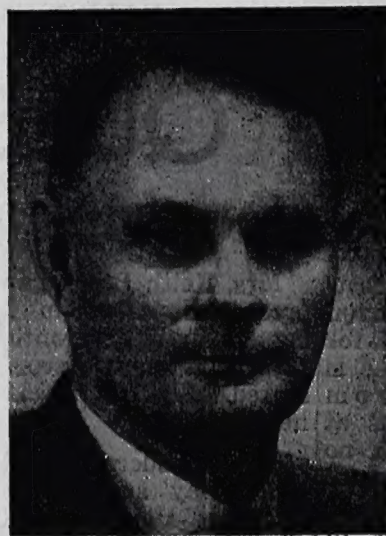

It is rather unfortunate that the Haliburton County Echo included an editorial without looking into the situation a little more carefully as the letter to which reference is made did contain the statement that quote, "This division is making sure that the Glenora hatchery has a stock larger than their usual quota so that a good effort can be made to cover the Haliburton area."

As you are from Ohio, you are probably very familiar with the most successful fish cultural practices which have demonstrated conclusively that natural spawning is much more effective in maintaining stocks of fish than anything that can be done in the way of hatchery produced stocks. Our Department has been giving a great deal of attention to the Haliburton area and have carried out stocking policies and transfers of fish from lake to lake wherever this practice gave promise of success. We have also given a great deal of thought to the protection of fish on their spawning beds and in particular to the lake trout situation which I believe is the point to which the editorial chiefly refers. It is to be certainly hoped that the local residents of Haliburton are particularly conscious of this need for looking after their fish stocks and that they are co-operating with the Department in giving every protection to the lake trout by not fishing by any means during the fall spawning periods. The accident which occurred to our hatchery was not foreseeable nor preventable excepting that now we have taken very definite steps to insure that nothing of a similar nature will occur again. The loss of the lake trout in this accident was of some concern to the Department because as you probably have read in the papers, the lake trout stock in the great lakes from which our eggs are procured has suffered drastic and even catastrophic reduction so that stocks of these eggs are extremely difficult to procure.

It has further been shown conclusively that since natural spawning is much more effective in maintaining stocks of fish by use of hatchery reared fish it would be extremely dangerous to take lake trout from their spawning beds in small lakes and hatch them out in a local small hatchery as the editorial suggests. The danger being that the natural stock of lake trout in the small lakes might easily be destroyed and the hatchery reared fish introduced to the lakes would certainly not be as effective in maintaining the fishery as those coming from the natural hatch which are already by nature hatched in their natural and proper environment for living and which might be guessed at only when hatch-

PEN PICTURES OF PARLIAMENT

by CLAYTON W. HODGSON, M.P.

Corridor gossip has it that the Prime Minister might be retiring from politics "immediately after the Coronation." When he lost his temper in Parliament a few days ago he said there would be an election in a few months. Later, when questioned by a couple of reporters, he stated that the vote would be polled before the snow flies and he outlined the time between Coronation and Christmas. On that basis he nailed the election down to this fall.

The Honourable Dana Porter, Attorney General for Ontario, visited Ottawa, Thursday, March 19, and cut a broad white ribbon stretched across the front of the new Carleton County Council Chamber Court House building. The official opening ceremony lasted just forty minutes. A large crowd was present, including the County Council, County Warden and the Mayor, Charlotte Whitton of Ottawa.

The House of Commons seems to be shrouded in secrecy. The Government refuses to give out any information on what is being done about happenings reported by Mr. Currie in his report on National Defense, or on the Gordon report. Time after time, when questions are asked we are told that it is not for the public interest, and the information requested is refused. There is a new departure in Parliament—recently many accountings have been refused the scrutiny of the Opposition. The Government has taken the attitude that they have the right to spend as they please. They are taking \$900 from every man or woman who works for a living, in sales tax, income tax, excise tax and many other taxes. Then Mr. Howe says, "We will do as we like. Who will stop us?"

The marathon Budget Debate has come to a close. All sides of Parliament seemed to concentrate on putting through the Parliamentary threshing machine the kind of crop they thought would give the least amount of straw and the most volume of political grain for the Party bin to have in store for the next election.

A man without a country is Michael Patrick O'Brien. Ever since last September he's been "merry-go-rounding" on the ferry between Hong Kong and Macao. The ferry can't put him off anywhere because nobody will accept him. He has no recognized nationality. That's why, on St. Patrick's Day, Irishman Gordon Higgins from Newfoundland asked Mr. St. Laurent if he could make Michael a Canadian citizen and get him out of his predicament. The Prime Minister didn't bite. He merely said that he wasn't acquainted with Michael. It now turns out that this international figure is no Irishman at all. He's a Hungarian who came to America and changed his name. Meanwhile, Michael, the stateless, floats on and on.

ery stock are released in a lake.

I have given you this general background picture believing that you are familiar with fish management in general and knowing that you will appreciate the situation in relation to lake trout, as I have set forth here.

Yours sincerely
(signed)
W. J. K. Harkness, Chief
Division of Fish & Wildlife

March 18, 1953.
Mr. W. J. K. Harkness, Chief
Division of Fish & Wildlife
Department of Lands and
Forests of Ontario
Parliament Building
Toronto, Ontario, Canada

Dear Mr. Harkness: I want to acknowledge with thanks your letter of February 23 received during my absence from Middletown.

I have noted that you have also written Mr. Noice, Editor of the Haliburton County Echo and that your letter has been published.

With the information you sent to Mr. Noice and your letter to me, I now have a better understanding of some of your ideas and what you are trying to do. I am not as familiar with successful fish cultural practices as I would like to be. I have, however, visited some of the hatcheries in this country and have always been interested in the work being done.

I expect to follow closely the information published by your division from time to time and certainly comply with the suggestions and regulations laid down by your division. I sincerely trust that all sportsmen and local residents in the Haliburton area will do likewise.

Only in this way can we have the kind of fishing real sportsmen desire.

Thanks again for writing me as you did.

Cordially yours
R. C. Bean

Walter Noice, Editor
The Haliburton County Echo,
Haliburton, Ont., Canada.

In Appreciation

I wish to take this opportunity to express my sincere appreciation for the attention and kindness shown to me during my recent illness: To Dr. Newall of Minden and Dr. Service of Lindsay, the nurses and staff of the men's ward of The Ross Memorial Hospital, Lindsay. To the many visitors who called and to all the friends who sent good wish cards, to the School Board and A.F.A.M. No. 440, for flowers and to my neighbours who so kindly gave assistance in the work at home. Again to one and all my sincere thanks.

Vinton Loucks.

EDITORIAL

Did Someone Say "Roads"

Once again a large section of the county itself caught between two governments namely the Provincial and the Municipal, and as is usual in such a case, poor John Q. Public is taking a licking.

The writer had occasion to go to Maple Lake on Monday last by way of Eagle Lake. From Eagle Lake to West Guilford the road is in such a terrible condition that it's a wonder that a car does not fall to pieces in transit. It's a crime that people have to use a road in such a condition as the Eagle Lake-West Guilford highway. We venture the opinion that one trip over this section is harder on an automobile than thousands of miles over normal roads.

About half a mile west of West Guilford, on the Maple Lake road, we came to a section that was impassable. The highway had ceased to be a road and was a huge bog. This meant that we had to return to Haliburton and drive to Minden and Carnarvon in order to reach our destination.

Who is responsible for this deplorable situation? From what we can gather, both the province and the municipality are to blame. It appears that last summer, the Highways Department took over the maintenance and when the job was well under way, dropped it back into the lap of the municipality. Last July, a prominent business man of West Guilford wrote the Prime Minister setting forth the views of the people of Guilford and asked that work be speeded up to give the citizens a decent road. Early in August, a reply was received from the Premier to the effect that he would give it his immediate attention. The next thing the people knew was that the maintenance was turned over to the municipality. Now the municipality had neither the equipment nor the means to finish the job and the consequence is that the people are asked to drive over a road that isn't even fit for a team and wagon.

In case of a serious accident or sudden grave illness or a fire or other calamity a person would probably die or a house burn down before help could arrive. And why should a person have to drive his car over such roads? His car represents a big investment and to subject it to such abuse is both unfair and unnecessary. The motorist is paying a mighty high price for the privilege of driving his car and some of the monies garnered in by the government in license fees, gasoline tax, etc., etc., should be spent on main roads that the citizens have to depend on for communication. For years the communities of Maple Lake, West Guilford, Lochlin, Donald, Ingoldsby, and Gelert have been pleading to the "powers that be" for better roads but all they ever get is mile upon mile of "washboard" and dust. It is the same year after year. In the spring the roads are impassable and in the summer they are so rough and hard that after a few miles, the car develops weird and wonderful rattles and the driver, a case of frayed nerves, a temper and a car full of dust.

More About Fish

In a letter written by the Department of Game and Fisheries to Mr. R. C. Beane of Middleton, Ohio, re, an editorial published recently in the Echo, the letter states (quote), "It is rather unfortunate that the Haliburton County Echo included an editorial without looking into the situation a little more carefully," and reading further, it says: "You are probably very familiar with the most successful fish cultural practices which have demonstrated conclusively that natural spawning is much more effective in maintaining stocks of fish than anything that can be done in the way of hatchery produced stocks."

"Our department has been giving a great deal of attention to the Haliburton area. We have also given a great deal of thought to the protection of fish on their spawning beds." (unquote).

The Echo looked into the matter of the lake trout situation though the letter to Mr. Beane infers that we have not. We heartily agree with the department that natural spawning is the most effective, and for that very reason we brought the low levels of the lakes in spawning season to light. The department states that a great deal of thought has been given to the protection of fish on their spawning beds. What is needed is action, not a great deal of thought.

Again we state that each fall, just at the time that the lake trout spawn, down go the lake levels and the spawn is left exposed to the air, and spawn so exposed becomes dead.

We have talked to residents who live beside some of our lakes, who tell us that each fall they can scoop up whole bucketfuls of ruined spawn left high and dry on the spawning beds. If this be true, and we have faith in the honesty of our informants, then we say that the Department of Game and Fisheries are just sitting down in hought; as their letter states instead of doing something about remedying this situation. In the bulletin which the department sent out recently and which appeared in the Echo of March 19th it states that 2,000 lake trout fingerlings were planted in the lakes in Haliburton County in 1952. 2,000 fingerlings distributed in 500 lakes in the county. That makes an average of 4 fingerlings per lake, and in 1952 hundreds of thousands of young trout were lost to the county because of lack of supervision of the water levels at spawning time. To our way of thinking, it just doesn't add up right.

HALIBURTON COUNTY ECHO

"The Voice Of The Highlands"

Letters to the Editor

Gelert, March 14, 1953.
Editor of Haliburton Echo,
Haliburton.

Dear Sir:—The Globe and Mail of March 14 carries the report of the inquest into the death of the Getty brothers in the auto accident near Cooksville February 17 when the policemen had placed a road block to stop a car travelling at an excessive rate of speed. The evidence submitted disclosed that the trio in the death car had been drinking, as no doubt many readers suspected, at the time of the accident, and adds another tragedy to the long list chalked up against the booze business.

During a trip through Toronto, by the late Henry Ford, a reporter interviewed him and put this query to him: "What is the big problem in the United States today?" He replied, "Mooze!" A friend of mine who works in Oakville told me last year that it was impossible to estimate the hold the drink traffic had on our industrial and national life.

The last fiscal year report by the Ontario chairman of the Liquor Board tells us that each home, on an average, in this banner province, spent one hundred and ninety dollars on wine, beer and hard liquors. When you consider that many homes spent not a dime on the stuff you begin to realize that we are saddled with a colossal octopus that is surely, surely sucking away our life blood. However, is not the so-called Government control delivering the goods just about as we temperance people predicted it would? Don't misunderstand me, please. I am not glad to see our forecasts so authentic. And we must not let the booze advocates kid us into believing that prohibition was the huge flop they try to make out. The ideal method to defeat John Barley corn is for each individual to be his own prohibitionist and everyone join up. But therein stands the big hurdle or "the sixty-four dollar question." The Temperance Advocate is suggesting the Government use one per cent of the liquor sales revenue for temperance education and that looks sensible as far as it goes.

There is no doubt, some successful work is being accomplished by the Alcoholic Anonymous plan but that, of course, is a human reclamation idea. But it seems to me the proper or ideal goal to steer for, would be to keep the future alcoholic from taking his, or her first taste. I have yet to hear of a confirmed alcoholic who had not taken his first drink.

Our young people need to ponder seriously that alcohol is a habit-forming drug. Remember Alexander? He conquered the world but he did not conquer Alexander. Booze did. And Jno. B. Gough, the drunken bookbinder, the Spirit of God got hold of him and he became perhaps the world's greatest temperance lecturer. He died on the platform just after saying, "Young man, keep your record clean." So I close, with thanks to the editor and that I still believe in the old Gospel message to save and redeem men.

There is no logical argument in favour of booze.
J. B. Sedgwick.

The Quiet Hour

by Stuart C. Wilson

The week following the Sunday when the Lord Jesus had been rejected by the city of Jerusalem, was one that revealed the Saviour in the prospect of death. How precious are the thoughts of His as we see Him come face to face with the work of redemption. All that was the grandest and all that was most tender, the most human and the most divine aspects of His character, were brought out as they had never been before. The purpose for which He had been born into the world was soon to be upon Him, and we see Him in all the beauty of His person enter into those days that lay just before the cross.

An incident occurred on Monday, as recorded in John 12:20-33, when some Greeks came to Phillip with the desire to see Jesus. Only two or three times in the course of His ministry does Jesus seem to have been brought into contact with representatives of the world lying outside the limits of His own people, His mission being mainly to the lost sheep of the house of Israel. But on every occasion He met with a faith, a courtesy and a nobility, which He Himself contrasted with the unbelief, rudeness and pettiness of His own people. No doubt within His holy being He had a desire to pass beyond the narrow bounds of Palestine and visit nations of such simple and generous disposition. But death lay before Him, and only in His death could these ones who desired to see Him experience His presence and His power in their lives. Was it not with each of us in mind that the Saviour said those glorious words, "Except a corn of wheat fall into the ground and die, it abideth alone; but if it die, it bringeth forth much fruit". And again, "And I, if I be lifted up, will draw all men unto Me". He could see beyond death, terrible and absorbing as the prospect of it was, and assure Himself that the effect of His self-sacrifice would be infinitely grander and more extensive than that of a personal mission to the heathen world could ever have been.

As the week moved on, death approached with every terrible accompaniment. He was to fall a victim to the treachery of a follower of His own, whom he had chosen and loved. His life was to be taken by the hands of His own nation, in the city of His heart. The whole world was against Him, and in those days prior to Calvary, He felt terribly alone. Yet he was not alone. Among the deep shadows of the gardens and upon the summits of Olivet, He sought the unfailing resource of other and less troubled days, and found it still in His dire need. His Father was with Him; and thus His spirit was hushed with the sense that the Father's perfect love and wisdom were appointing all that was happening to Him.

At last the end drew very near. The Thursday evening arrived when in every house in Jerusalem the Passover was eaten. Jesus also with the twelve sat down to eat it. It was the greatest evening in His life. His soul overflowed in indescribable tenderness and grandeur. Some shadows indeed fell across His spirit in the earlier hours of the evening; but they soon passed, and throughout the scenes of the washing of the disciples' feet, the eating of the Passover, the institution of the Lord's Supper, the farewell address, and the great high priestly prayer, the whole

The Story of the Humble

They had tethered him fast to the great city wall, Standing close o his fellows he looked very small.

But a purpose in life was accorded to him In the noise and confusion the purpose was dim.

Then a call came to service The Master had need, And he sent for the donkey to act as his steed.

So the donkey came gladly The Master to bear, Bible history relates it— this little beast's share. Through the gates of the city the little beast went.

In his heart was a mission and humble content, His back was the gift he was eager to bring, For he had been chosen to carry The King.

The shouts of the Hosana's were not meant for him But he held his head proudly in spite of the din And he carried in safety the load that he bore, For he sensed that The Master would need him no more.

He greatly stepped over the garments laid down O'er the pathway of palms that now covered the ground, For an animal senses a feeling of loss And each step of the way led straight to the cross.

Mavis Noice.

glory of His character shone out. His love flowed out without measure to the disciples as He rejoiced in anticipation of their future successes and triumphs for His cause. It was as if the work of redemption had already past and the glory of His exaltation was breaking around Him.

But the reaction came very soon. Rising from the table at midnight, He led His disciples through the streets of the city and out by the eastern gate, and crossing the brook Kedron, reached the place to which He had often resorted, the Garden of Gethsemane. Here he withdrew from his disciples, and entered into communion with the Father. It was in those hours that the agency of Calvary's cross which was soon to be His, came vividly before Him. The scriptures tell us that "His sweat was as it were great drops of blood falling down to the ground", so greatly did the thoughts of dieing for our sins burden Him. What love to us He showed when He rose up from prayer to go through the scenes that followed with a calmness that nothing could ruffle.

What does such love mean to you? Can you say with the poet—

"Love, that no suffering stayed,
We'll praise true love divine;
Love that for us atonement made,
Love that has made us Thine.

"Love, in Thy lonely life
Of sorrow here below:
Thy words of grace with mercy rife,
Make grateful praises flow.
"Love, that on death's dark vale
Its sweetest odours spread,
Where sin o'er all seemed to prevail
Redemption glory shed."

JACK GELUFF PROPRIETOR
"LET ONE CALL DO IT ALL"

LOCHLIN

Mr. and Mrs. Bud Dart of Haliburton visited with Mr. and Mrs. Harvey Minaker last week.

Mr. William Dugan spent a few days of this week in Toronto.

Mrs. Mervin Gilbert, Mrs. Archie Brown, Mrs. Orville Hicks and Misses Ruth Hicks and Erma Dugan took in the St. Patrick's supper at Haliburton United Church one evening last week.

Miss Doreen Francis of Ingoldsby visited with Mr. and Mrs. Jack Francis one evening last week.

Misses Patsy Minaker and Barbara Burk took in the Haliburton-Sutton hockey match in Newmarket on last Thursday evening. The hockey fans from here wish the Huskies better luck next year.

Mrs. Jack Dart and Larry spent Thursday afternoon of last week with Mrs. Cecil Burk.

Don't forget the Pancake Social to be held in the Lochlin Church on Wednesday evening, April 1st, sponsored by Ingoldsby - Lochlin Men's Club.

Miss Yvonne Dugan spent the week-end at her home here.

The Farm Forum held their last meeting for the season at the home of Mr. and Mrs. Walter Harrison on Monday evening.

Kathy and Howard Dart spent a few days of last week with their grandparents.

Snowdon Home and School meets on Wednesday evening, April 1st.

Quite a number from here attended the dance in Gelert Community Hall on last Friday evening and all reported a good time.

Mr. Murray Wruth spent the week-end at his home here.

Glad to report that Mr. Vinton Loucks, who has been in Ross Memorial Hospital, returned home last week-end. We wish Vinton the best of luck.

Miss Barbara Burk spent the week-end in Haliburton with her sister, Mrs. Jack Dart.

Miss Erma Dugan has gone to Sutton where she will be employed with Mrs. G. Smith.

Sorry to hear that Mr. Sandy Gilbert has not been feeling too well.

Mr. and Mrs. Jim Minaker were business visitors in Haliburton on Saturday.

Mr. and Mrs. Carl Dugan and family spent Sunday in Sutton.

Mr. Dave Burke, who is employed at Price Yards, spent the week-end at his home here.

Making maple syrup is the order of the day now.

Mr. and Mrs. Archie Walker of Gelert spent one evening of last week with Mr. and Mrs. Orville Hicks.

Mr. and Mrs. Bob Peacock and family visited with friends here on Sunday.

Mr. and Mrs. Bob Vick and family of Peterborough visited with Mr. and Mrs. Harvey Minaker over the week-end.

Mr. and Mrs. Raymond Congdon visited with Mr. and Mrs. Mervin Gilbert on Sunday.

Sunday visitors at the home of Mr. and Mrs. Orville Hicks were Mr. and Mrs. Orval Francis and family of Gelert.

Mr. Woods of Buckhara was guest speaker at Lochlin United Church on Sunday.

Miss Carol Crofts spent Saturday in Ingoldsby with friends and relatives.

Mr. Jim Casey who has been visiting with Mr. and Mrs. Warner Casey is now employed in Minden.

Mr. and Mrs. Ted Francis spent Sunday with Mr. and Mrs. Jim Minaker.

WEST GUILFORD

Government Assistance for Ambitious Students

A sum of \$280,000 is available each year for students of Ontario to continue their education past grade XII. Of this the Dominion Government contributes \$60,000. Approximately \$4,050 of this could come to Haliburton county.

The conditions. Students must be of good character, of a health and physical fitness to meet the approval of the committee of award, attain the required academic standing, and be unable to continue their formal education without financial assistance. Also residence in Ontario since 1951 is required. The department expects such students to work to earn money during the holidays, and parents to contribute as much as they can afford to the cost of the education. Applications must be in before June 16.

These Bursaries are allotted type A. Two pupils from Haliburton County can obtain up to \$400 each to attend first year of university. One pupil from this county can obtain \$250 to attend Normal School. Five pupils can obtain \$100 each to attend grade XIII high school, or grade XII of a vocational school.

There are 35 bursaries, of \$300 allowed, each year, for the students of the province of Ontario, to attend Provincial Technical School.

Type B bursaries include about \$2,200 which is divided between second and succeeding years of university, College of Education, College of Art (Tech. School, College of Pharmacy, and Osgood Hall.

We were much impressed while visiting in one of the southern counties where six grade XIII bursaries are allowed (four of these were allotted to one high school); by the keen and encouraging interest with which the community as a whole followed the progress of their pupils. Such public attention appeared to have a beneficial effect on the students, too. Their pride in achievement and zest in planning for the future were apparent.

It would be interesting, to know, how many pupils, from our district, have received these grants; and what use, they have made of the education thus provided. There have been pupils, from West Guilford, who have attended Normal School, been to Tech. or completed University, but to our knowledge, most, if not all of them, have had a struggle along without financial assistance.

Anyone interested in these bursaries may obtain full particulars from circular 115 exam. issued by The Department of Education.

Mr. and Mrs. Doug. Casey spent Sunday with Mr. and Mrs. Warner Casey.

The Farm Forum held a very successful hot supper at the home of Orville Hicks on Wednesday evening with a large crowd in attendance. The proceeds are for the playground now under construction.

West Guilford

Community Guild

The Community Guild of West Guilford held its regular meeting Thursday, March 20, in the school auditorium. In view of the amount of illness in the community, and the difficulties of travel at this time of the year, there was a good attendance. We were especially pleased that Mrs. Francis Sisson was able to be with us again after her illness. Mrs. Sisson, with her long record of devotion to church and community work, is always an inspiration to younger members. The business of the meeting conducted by President Mrs. C. Sawyers and Secretary Mrs. J. Henderson, included plans for buying some small tables, Mrs. L. Morrison was appointed a committee to assist with this. A donation of \$10 was set aside for the community Red Cross fund and a collection was taken for the local churches and also for soldiers parcels. Hostess for the evening were Mrs. C. Sawyers and Mrs. L. Morrison. The devotional period centered around Acts VIII. The next meeting of the Guild will be April 2 in the School auditorium at 8 p.m.

Frank Barjarow who is with the R.C.A.F. has been transferred to St. John's, Que., to Camp Borden, to take a more extensive training.

Jack Barjarow writes from Korea that he has received his corporal stripes, that the winter seems about over there too, but the rain is upon them. Jack will soon be on his way home, his first term of active service over.

Allan Dauber formerly of Kenosis has also been with the R.C.A.F. at St. Johns, Quebec.

Reading one of the papers published in 1907 which Alma Morrison, nee Jones, found, while going over her mother's effects, in the old home on Pine Lake, we find the account of the funeral of Mr. Henry Jones, father of the late Alf Jones recorded. Also in the same paper a school report which records Bertha McKnight (now Mrs. Barry), of grade 2 with a mark of 74 per cent.

Around the Neighbourhood

Fire raised havoc in the kitchen of Bill Sims' home on Pine Lake this week. The fire truck was called from Haliburton but the family and neighbours had managed to have everything pretty well under control by the time it had reached Guilford. We understand the cause was overheated pipes.

Gordon Priest has been quite ill with pneumonia this past week but is now on the mend.

Mr. and Mrs. Al Horsely have returned after a short visit to their son Reg in Ajax. Reg has recently moved from Whitby to one of the new development houses in Ajax. Linda Horsely is visiting her grandparents this week.

We notice that the lumber company Murry Barry and Salvatori have finished bush operations for this winter and have moved back to their homes near Centre Lake.

The bush work is finished as far as snow roads are concerned, Titus and Stamp have still a few logs left which they are struggling to slop out.

Howard Thompson, Jr., fell off the high car at Hay's mill on Tuesday breaking two ribs and an arm.

Ourselves As Others See Us

In checking over the Muskoka Herald over the weekend we see where the Bracebridge paper didn't agree with our headlines of two weeks back. "NO STOPPING THE HIGHLANDERS."

We quote:

HOCKEY OF HIGHLANDS INCLUDES HALIBURTON

The Haliburton County Echo rejoiced in the results of the first game of the district finals with the Bracebridge Bears, and come

out last week with big front-page headlines:—

"No Stopping the Highlanders

"Minden 7 — Bracebridge

"Haliburton 14 — Sutton

5." The Echo was referring to the Haliburton teams as Highlanders because of the name applied to the County in recent years, "The Haliburton Highlands."

But it might well be remembered that Muskoka has for generations been known as "The Highlands of Ontario"—due to a noted similarity between our district and the Highlands of

Scotland, observed by early explorers, settlers and tourists.

Consequently, the term Highlanders can well apply to a Bracebridge team as well as Minden — and The Echo, in view of subsequent scores, was not wrong.

And whether it be Muskoka or Minden, there are thousands who living at a distance are still watching with the greatest interest the progress of hockey and other sports here—and their thoughts can in part be expressed by a poem of Robert Burns (if we include other sports than hunting).—

My heart's in the Highlands,
my heart is not here;
My heart's in the Highlands
a-chasing the deer;
A-chasing the wild deer,
and following the roe,
My heart's in the Highlands,
wherever I go.

Farewell to the Highlands,
farewell to the north,
The birthplace of Valour
the country of Worth,
Wherever I wander, wherever
I rove,
The hills of the Highlands
forever I love.

In conclusion, we don't believe the great Poet Burns would mind if we added another verse:—

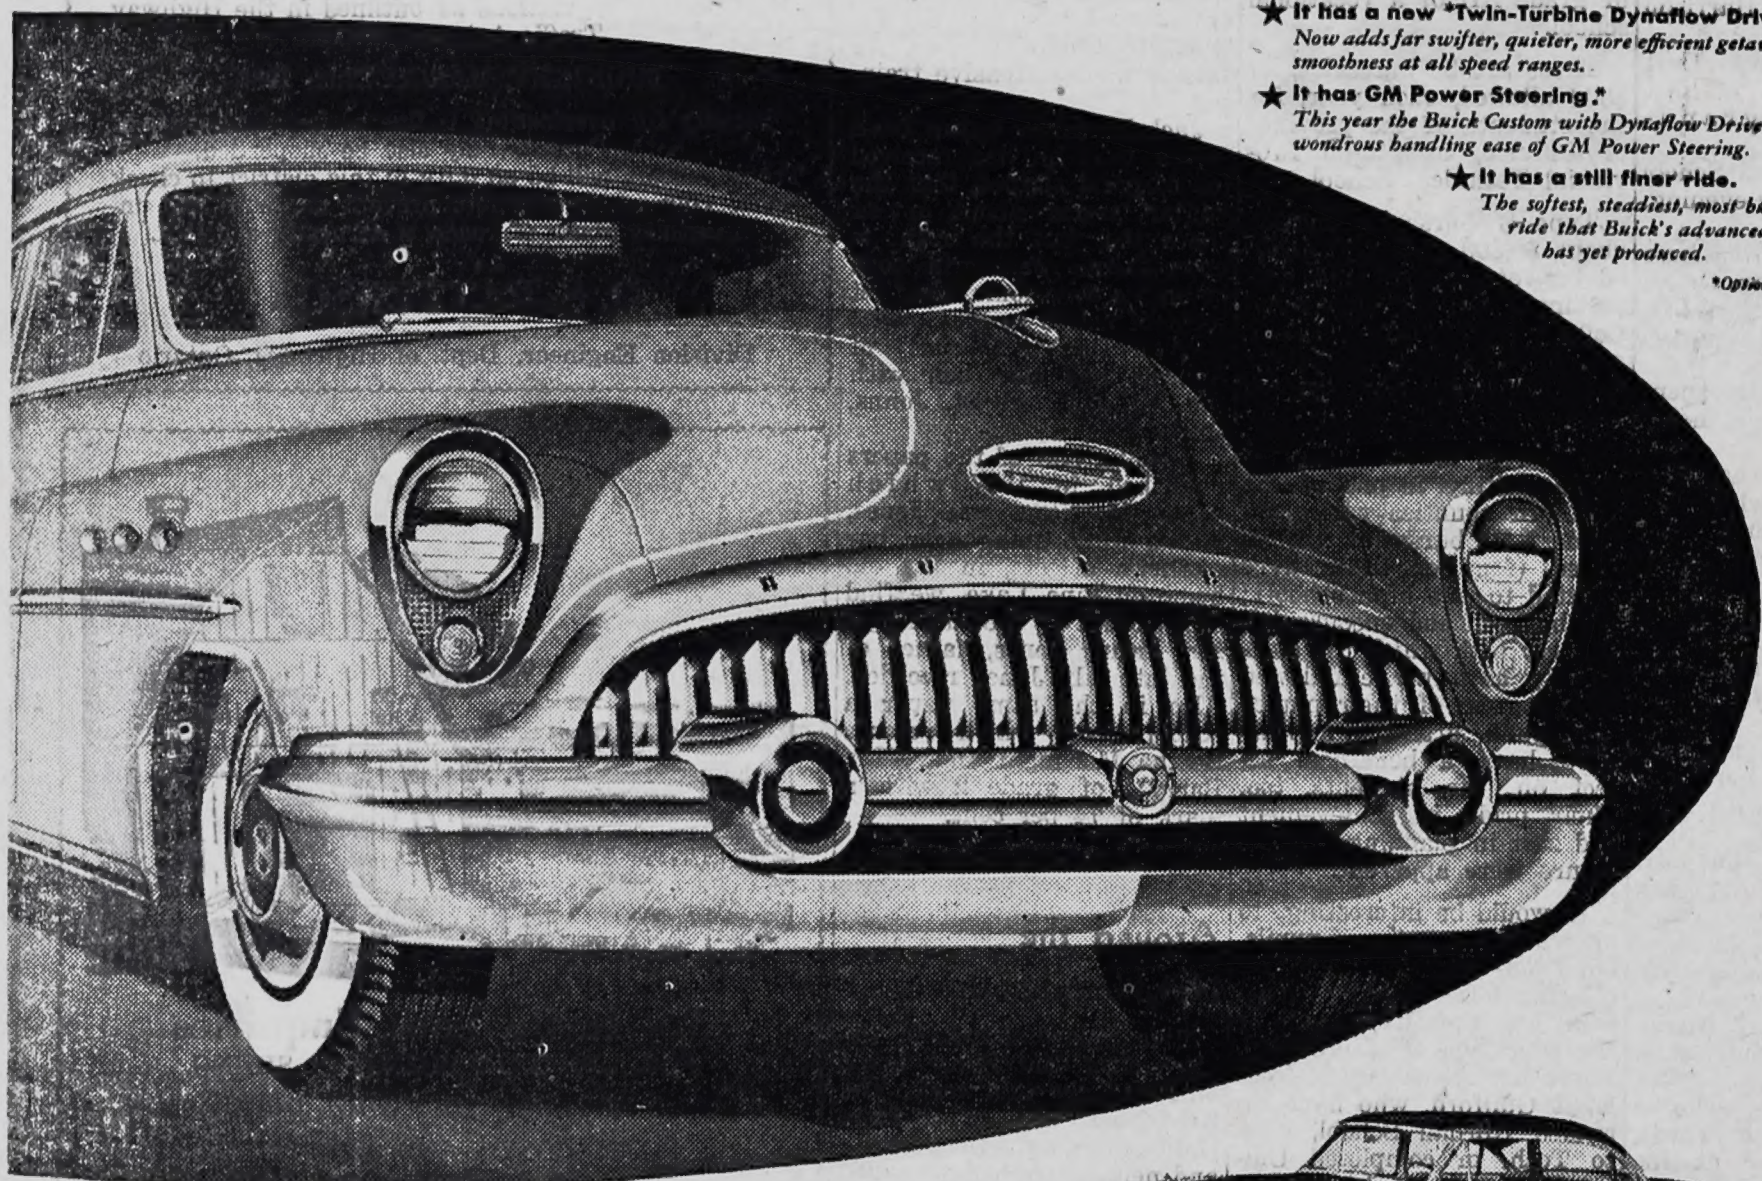

My heart's in the Highlands,
the home of the Bears;
My heart's in the Highlands,
my countenance wears
A look of contentment, for
this well I know:
Be it Minden or Bears 'tis
the Highlanders' show.

ANNOUNCING BUICK'S GREATEST CARS IN 50 GREAT YEARS

A General Motors Value

HERE you see pictured the Golden Anniversary Buicks—engineered, styled, powered and bodied to be fully worthy of their paragon role in this fiftieth year of Buick building.

A quick listing of simple facts will reveal just cause for celebration. Let's start off with the new 1953 Buick Custom.

★ **It has a newly-designed Fireball Straight-8 Engine.**
The importantly stepped-up Fireball Straight-8 actually gives the 1953 Custom with Dynaflo even better performance than the 1952 Roadmaster. And this brilliant new performance is achieved with amazing economy and without the need for premium fuels.

★ **It has Fireball Horsepower.**
Engine horsepower per pound has been increased to 130 on Dynaflo-equipped models and 125 on cars equipped with Synchro-mesh transmission for more brilliant performance.

★ **It has a compression ratio of 7.6 to 1.**
New combustion chamber raises compression to 7.6 to 1 with Dynaflo, shortens flame travel for greater power and fuel efficiency.

★ **It has a new *Twin-Turbine Dynaflo Drive.**
Now adds far swifter, quieter, more efficient getaway to infinite smoothness at all speed ranges.

★ **It has GM Power Steering.***
This year the Buick Custom with Dynaflo Drive offers you the wondrous handling ease of GM Power Steering.

★ **It has a still finer ride.**
The softest, steadiest, most buoyantly level ride that Buick's advanced engineering has yet produced.

*Optional at extra cost.

Buick SUPER 4-Door Riviera Sedan

WORLD'S NEWEST V8 POWERS The Super-The Roadmaster

Yes, there's wonderful news about the 1953 Buick SUPERS and ROADMASTERS, too. For instance, they're powered by a completely new V-8 engine with one of the highest compression ratios in the industry. It develops 188 horsepower for Roadmaster, 170 for the Dynaflo-equipped Super, and it's so compact that a new, more manoeuvrable chassis has been built around it!

But no listing of facts and features can do justice to the phenomenal Golden Anniversary Buicks. No words can really tell you the beauty you see, the comfort you feel, the excitement you experience when you make first-hand acquaintance with these big, beautiful, bounteous Buick Customs and Supers and Roadmasters for '53.

So come in and see for yourself that these are, in simple truth, Buick's greatest cars in 50 great years!

OBITUARY

In Lutterworth township on March 4 there passed away one of its oldest residents in the person of Stanley Kellett.

He was born and lived his entire life almost on the same lot where he died on the homestead with his son Elmer.

He was well known throughout the county for his violin music and had played at almost every hall in this county down through the years, was active and called upon to play for local and wedding dances up until he suffered a stroke in February of 1949 and had to lay away his much loved violin.

In sports he loved to fish and hunt and was also active in those sports until that time, having never to wear glasses.

In May 1890 he married Ida Burleigh who predeceased him October 1926 also a daughter Alice in 1899 and a son Moss in 1950.

He leaves to mourn his loss three sons, Chess of Haliburton, George of Minden, Elmer, his wife and two grandsons who will greatly miss him, a daughter (Irene),

Mrs. H. McKelvey, twenty grandchildren and thirty-three great grandchildren.

The funeral was held May 6 from his home and was conducted by Rev. E. Madden of Minden United Church. The pallbearers were six grandsons, Sonny, Doug, Moss, and Gareth Kellett, Claude and Hal McKelvey. Interment in Minden Cemetery.

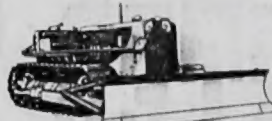

The floral tributes were as follows: Pillow, Elmer, Gladys and boys, large baskets cut flowers, George, Lena and boys, May Kellett and family of Toronto.

Wreaths: Chess, Annie and family, International Co-op, Elwood, Doris and Sarah Kellett.

Sprays: Irene and Herb, Ruth, Gord and boys, Garnie Kellett and family, Walt and Hilda, Greta and Cliff. Cut flowers Jean Burleigh.

He is dead but sleepeth.

Those who attended the late Mr. Kellett's funeral from a distance were: Sonny, Doug, Craig Kellett, Carol Booth and Jean Burleigh of Toronto; Mrs. Dick Goad of Beaverton, Mr. and Mrs. Wm. Baldwin of Bexley, Ernie Laake of Cobokong, Mrs. Alma Lewis and son Bob of Brown's Brae.

SERVE CANADA

The men and women who serve in Canada's Defence Forces — serve the cause of our freedom. They are ready and trained to defend the Canadian way of life. This is the most important job in Canada, today.

AND YOURSELF

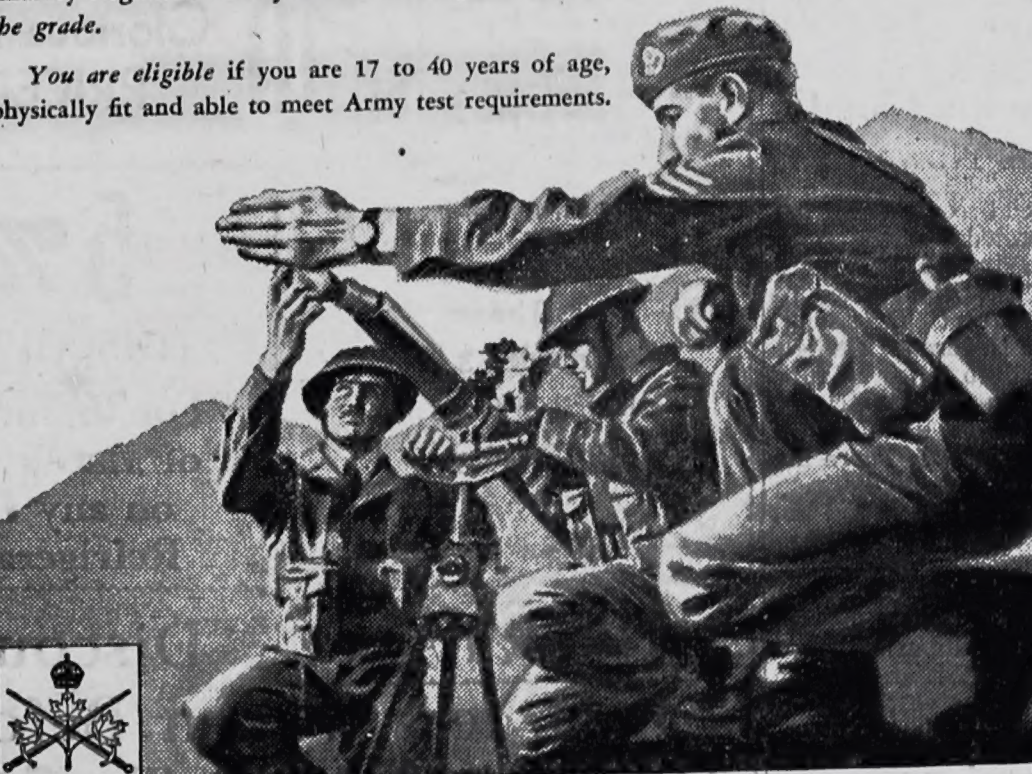

Specialized training, travel, excellent pay and pension plans, outstanding medical and dental care, thirty days annual leave with pay — these are yours in the Canadian Army Active Force. But more important, there are outstanding opportunities for advancement in the Army, today. Ability to lead is quickly recognized with special leadership training and promotion. In the Army, your own qualities determine how far you go.

IN THE ARMY

Canadian Infantry are recognized and honoured as the finest fighting soldiers in the world. If you have what it takes, you can serve with one of Canada's famous Infantry Regiments. But you have to be good to make the grade.

You are eligible if you are 17 to 40 years of age, physically fit and able to meet Army test requirements.

CARNARVON

Congratulations to Mr. and Mrs. Royce Packard on the birth of their daughter. A cute little sister for Marlene.

Mr. and Mrs. Archie Robertson who have occupied the home of Mr. and Mrs. Ed Minaker for the winter returned to their own home in Lochlin on Thursday.

Mr. and Mrs. Sine. Nesbitt and LeRoy motored to Lindsay on Thursday.

Mr. and Mrs. Carl McLean of St. Thomas spent three days with Mr. and Mrs. George Cowan.

We were shocked to hear of the unfortunate accident that happened when a half-ton truck driven by Mr. Royce Packard who was accompanied by his two-year-old daughter was forced almost off the road causing it to swerve into Beech River bridge by a car and driver who are as yet unknown as this well mannered person failed to stop and give any assistance or find out the extent of damage his carelessness had caused. Luckily no one was hurt but damage to the truck is considerable.

Mrs. Hal. Burton was hostess to the Friendly Neighbours this week and it was very pleasant to have Mrs. R. Thomson of the Forestry School back with us again.

Mr. Ritchie Bone of Toronto was a week-end guest at Mr. Cliff Harrison's.

Mr. and Mrs. Sine. Russell of Toronto came up to their place here for a day last week.

Week-end guests in the city were Mr. and Mrs. Ed. Harrison, Mr. and Mrs. Ritchie Harrison and Jerry Cambell and Mr. and Mrs. Orville Harrison and children.

Mr. and Mrs. Ross Harrison had as week-end guests Mr. and Mrs. Brown and children of Burlington.

Mr. and Mrs. Fred Gregory who have been residing in Toronto for the winter are now living with Mr. and Mrs. Jack Gregory as Fred has been assigned to this territory by the insurance company where he is employed.

We are sorry to hear Mr. Bud Medley was taken ill over the week-end and was unable to make the trip back to Toronto for a few days.

Mr. and Mrs. Martin Davies and children of Toronto were week-end guests of Mr. and Mrs. Stan Archer at the Matabanick Inn.

Mrs. Jim Chambers has gone to Peterborough for a couple of weeks to visit friends and relatives.

Mr. and Mrs. Sine. Nesbitt and Mr. Ken. Buchanan motored to Toronto on Monday for a few days.

Mr. and Mrs. Phil Allcorn of Toronto spent the week-end here with relatives.

Give to the Flood Victims Now

A special committee has been formed under the chairmanship of his Excellency The Right Honourable Vincent Massey, P.C.C.H., Governor General of Canada, to raise a fund in aid of the flood stricken area of Great Britain, Holland and Belgium. There are several ways to make your contribution to this fund but in an effort to make things a little easier the Haliburton Rotary Club are taking up the task of collecting the money in Haliburton and surrounding district. If you would like to give then send your money to Jack Robertson, Secretary of the Haliburton Rotary Club at Haliburton.

Snowdon Home and School meets the first Friday in each month.

EASTER DANCE

at the SLIPPER SAT., April 4th

HALIBURTON

Mr. and Mrs. Leslie Haas, Buffalo, spent the week-end with Mr. and Mrs. Moss Robertson of the village.

Mr. and Mrs. Haas are former residents of Tory Hill.

Mr. Jack Austin was a business visitor to Toronto on Monday.

Mr. George Wheeler who is employed with the Maclean-Hunter Publishing Co. spent the week-end with friends in the village.

Mr. Erven Hoxie who is employed with the C.N.R. at Victoria Road spent the week-end at his home here.

Mr. James Henry manager of the Grigg Co. store in Haliburton was a business visitor to Toronto and Orangeville on Monday.

Mr. Herb Baker of Haliburton was a visitor to Lindsay over the week-end.

Mr. Everett Pearson was a visitor to the village over the week-end.

Mr. and Mrs. Ronald Curry have returned home after spending two weeks holidays in Bermuda.

Messrs. Cyril and Berkeley Feir of the village visited with their father Mr. H. B. Feir at Stouffville on Sunday last.

Miss Lois Ann Carnochan of Peterboro spent the week-end at her home here.

Mr. Bill Monroe who is employed at Richmond Hill spent the week-end with friends in the village.

Many of the local hockey fans attended the hockey

game played in Newmarket last Thursday night.

Mr. and Mrs. Keith Carnochan of Peterboro spent the week-end with friends in the village.

Mrs. Pat Irwin of Polson, Man., is at present holidaying at her home here.

Mr. Arvo Rinne has returned home after working at Cochrane, Ont.

Mr. Frank Andison was a business visitor to Toronto last week.

Mr. Lloyd Coneybeare of the village was a business visitor to Toronto last week.

Pat Irwin who is with the R.C.A.F. is at present taking an instructors course at Trenton.

Remember that the third Monday night in each month is Home and School Meeting night.

Lindsay Flour and Feed

Manufacturers of Shur-Gain feeds, represented at most General stores in Haliburton district, are manufacturing a new formula 20 p.c. Chick Starter Second to None in Quality, providing 25 Zincase in growth in 8 weeks.

Be sure you ask for our formula Shur-Gain chick starter this year and you too will be using the best at less cost.

Haliburton WMS

The March meeting of the W.M.S. was held on Friday, March 20, at the home of Mrs. Russell Johnston. Mrs. M. McKnight, the president, called the meeting to order.

The Worship Service was ably conducted by Mrs. Hall. The theme was the Community of Grace.

The study programme, The African Church, taken by Mrs. Rutherford, was very interesting. The organization of the church was explained by a chart. It was shown how workers are trained and several interesting experiences were related.

Members answered the roll by donating an article for a layette. Further gifts for the next meeting were planned. Yarn was handed out to be knit as gifts for the needy.

A note of thanks was read from Mrs. G. H. Windsor for sympathy extended to her. Mrs. C. Kellett and Miss D. Wensley also expressed thanks for cards.

It was moved by Mrs. Baker and seconded by Mrs. Johnston that we accept an invitation to attend the Easter meeting of the Minden W.M.S. on April 9.

Mrs. Baker reported 6 calls made and 4 cards sent last month. The rummage sale on April 25 was discussed. Mrs. McKnight introduced a waistline donation scheme. The next meeting is to be held at the home of Mrs. C. Kellett.

BOICE MOTOR SALES - HALIBURTON ONTARIO

BUICK FOR 1953 features increased power and fresh new styling on all its Golden Anniversary lines. Custom Series offers the Fireball straight-eight engine, producing 130 horsepower; while the Super and Roadmaster Series introduce a new valve-in-head V-8 engine, producing 170 horsepower in the Super, and the Roadmaster with its Airpower carburetor, produces 188 horsepower. The new V-8 has a compression ratio of 8.5 to 1. The new Twin Turbine Dynaflo Drive for faster acceleration, and Power Steering are standard equipment on the Roadmaster and optional extras on the Super and Custom Series. The front end of the 1953 Buick has been completely redesigned with a new hood line, new grille, and an ultra-modern headlight arrangement. The exterior styling features flowing body lines that blend into a new rear fender. Other features include wider front seats, new instrument panel, new steering wheel, and a wide variety of bright new color and trim combinations. Shown here is the Custom Series four-door sedan.

MINDEN

Mr. and Mrs. Don Walker and family of Peterborough were with Mrs. Walker's mother, Mrs. Will Welch, for the week-end.

Mr. and Mrs. Holly Blair, Bracebridge, visited Mr. and Mrs. Alf Pritchard on Sunday.

Mr. and Mrs. Geo. Knowles, who have spent the winter in Florida, returned home on Saturday.

Mr. E. M. Noice (Bud), late of Saskatoon, spent the week-end with his parents, Mr. and Mrs. Arthur Noice. Bud has joined the R.C.A.F. and reported for duty at Ottawa on Monday morning.

Mr. Earl Kent is a patient in the Ross Memorial Hospital where he has undergone an operation on his knee, following his recent motor accident. A number of his friends here motored to Lindsay on Sunday to visit him.

Mrs. W. R. Crowe of Lindsay attended the funeral of her father in Orangeville this week. Dr. and Mrs. Crowe are former Minden residents.

We regret to report that Mrs. Lawrence Pritchard is now in the Lindsay hospital. A further report will be given next week.

The Reg. Hie family from Eagle Lake were week-end guests of Mr. Hie's parents, Mr. and Mrs. Jas. E. Hie.

Miss Margaret Trumbull of Toronto and Mr. Glen Trumbull of Oshawa were home with their mother, Mrs. Morgan Trumbull for the week-end.

Miss Evelyn Minaker and Mr. Harold Sykes, Toronto, visited Mrs. B. Minaker this week-end.

Miss Yvonne Harrison, Toronto, spent the week-end with her father, Mr. R. Harrison, at Carnarvon.

Mr. Roy Collis, Bowmanville, was a week-end guest of Mr. and Mrs. Elwood Cox.

Miss Jean Windover, Toronto, was with her parents,

Mr. and Mrs. E. Windover, for the week-end.

To Mr. and Mrs. Robt. Harvey at Lindsay Hospital on Saturday morning, March 21st, the gift of a daughter.

Mr. and Mrs. Roy Windover and Mr. and Mrs. Ken Lewis motored to Lindsay on Sunday to visit Mrs. Bob Harvey and her new daughter at Ross Memorial Hospital.

Dr. A. Jamieson, Miss Sylvia Howard and Mrs. Olga Myles drove to Midland on Sunday to visit friends.

Mrs. Lorne Coburn was guest soloist at the Fireside Hour in Fenelon Falls United Church on Sunday evening.

Mr. Jack Dalton, Toronto, is recuperating from his recent accident at his home here. Miss Ada Dalton was here for over Sunday, as well.

Mr. and Mrs. Basil Hewitt are receiving congratulations on the birth of a daughter, born at Haliburton Red Cross Outpost Hospital on Monday, March 16th.

Mr. Walter McKelvey has returned to town after a week's visit in Toronto.

Mrs. C. Beranger visited Miss A. Silverwood and Mrs. Aylmer Campbell at Huntsville for several days last week.

Mrs. Jack Hartle and her young son were recent visitors at the home of Mr. and Mrs. Bert Hartle.

Mr. and Mrs. Cliff Dawson accompanied by Mr. Lorne Dawson were Toronto visitors last week-end. Messrs. Dawson attended the Dominion Life Assurance Company Convention on Friday.

Mr. Robt. Finlay of Toronto and Miss Dorothy Finlay of Terra Nova were with their parents, Mr. and Mrs. Gerald Finlay, for the week-end.

Mrs. Lorne Dawson and Mrs. Percy Brintnell were hostesses at a Court Whist evening on Friday, in aid of funds for the Order of the Eastern Star. Four tables

were played at each home and very much enjoyed by those present.

Mr. Douglas Pritchard was a business visitor at Barry's Bay last week.

Mr. Don Campbell of Peterborough visited Mr. and Mrs. Walter Welch last week-end.

Mr. Frank Taylor was a business visitor in Lindsay on Monday.

A very enjoyable dance was held at the Recreation Centre sponsored by the Minden Band on St. Patrick's Day, March 17th.

The Monarch hockey team were guests of the Minden hockey club at a turkey dinner held at the Wagon Wheel on Saturday night. Congratulations were extended to the team for their year's showing and good sportsmanship.

Mr. and Mrs. Wm. Ranson of Lindsay visited relatives in Minden on Sunday.

The many friends of Miss Ellen Kent are pleased to hear she is getting along fine and will soon be home after an appendix operation in Ross Memorial Hospital, Lindsay.

We are very sorry to report Mr. Earl Kent confined to his home as a result of a car accident which occurred on March 12th. When he was returning home from work, Earl will have to undergo an operation on his knee in Lindsay Hospital. All wish him a speedy recovery.
